## Our New Draught Beer Service

Based on one of our Victorian catering carts, our new Draught beer cart offers a range of beers and lagers all served from a combined cooling/dispensing system, perfect for private parties and smaller corporate events. In addition, although the cart is designed for dispensing draught beverages, you can add a selection of spirits, wines and soft drinks.

### microBAR Option1

This is the basic draught cart with 80 pints of a single beer/lager chosen from the list below.

### microBAR Option2

This adds an additional 80 pints which can be of a different drink from the list below, or it could be additional servings of the same drink.
